## CONCURRENT RESOLUTION

Declaring the sense of Congress with respect to the use  
of racial quotas and statistics in connection with death  
penalty cases.

1       *Resolved by the House of Representatives (the Senate*  
2   *concurring)*, That it is the sense of Congress that racial  
3   quotas and statistics should not be used to determine  
4   whether or not to impose the penalty of death in criminal  
5   cases where such penalty is available, but each such deter-  
6   mination should be made on the merits of the individual  
7   case at hand.
